

Boothill Speedway

General Rules

(All Divisions)

GENERAL RULES (All Divisions)

1. All drivers, owners, or pit crew must maintain control of their children in the pit area, grandstands, or parking lot of Boothill Speedway. Unattended and/or unruly children can result in your disqualification and suspension from Boothill Speedway.
2. No one under the age of 16 years old is permitted to operate atvs, utvs, golf carts, etc on Boothill Speedway property.
3. Firesuits are REQUIRED in all divisions. Note: It is also recommended that all drivers wear fire retardant shoes, gloves, and underwear.
4. Helmets are required in all divisions and must be worn at all times car is on the track. Helmet must have face and eye protection. (This means shield or goggles.) Neck braces are also recommended.
5. Racing type seats are required and must be securely fastened. **NO FIBERGLASS SEATS**
6. Shoulder harness is mandatory. A quick release harness no less than 3" wide is mandatory. This harness must be mounted in at least 5 points below the driver's shoulders. Both ends must be fastened to roll cage with quality bolts no less than 3/8" in diameter. Belts shall come from behind driver.
7. Fire extinguishers are mandatory in pit area. Recommended Minimum of 2 lbs. fire extinguisher securely mounted within reach of the driver.
8. Kill switch is required within easy reach of the driver.
9. Tow hooks, front and rear, are required.
10. Electric fuel pumps are prohibited. There will be some exceptions where mechanical fuel pump cannot be used.
11. Car numbers and letters must be at least 20 inches high and neatly painted on both sides of the car, on the door only. A number and letters 20 inches high are required to be painted on the roof reading from the passenger's side. Numbers and letters must sharply contrast with the car's paint scheme so that the numbers are easily read.
12. All cars must retain a clean, neat, professional appearance. The management reserves the right to refuse entry to any vehicle that displays offensive language, offensive signage, or anything else deemed offensive.
13. No nitrous oxide allowed. Gasoline shall not be blended with alcohols, ethers, or other oxygenates and shall not be blended with an aniline or its derivatives, nitro compounds or other nitrogen compounds.
14. All cars must start under their own power. No direct drives allowed. All cars must have a working reverse gear.
15. Any car endangering race conditions on the track (dragging loose parts, leaking fluids, smoking, or deliberate rough driving, etc.) will be black flagged for that race.
16. All cars and any part of a car are subject to inspection by track officials at any time.
17. No equipment shall be considered as having been approved by reason of having passed through inspection unobserved.
18. Drive shaft loops are mandatory for all classes. Suggested 2" X 1/4" thickness minimum. Drive shafts must be painted white or florescent orange.
19. Any attached weights must be securely bolted to frame, and must be painted white or florescent orange and have car number clearly painted on them. Due to the high risk factor involved, any car that loses a lead weight during any event will be disqualified for that race and may be banned from the track for the season and/or fined. Two attaching mounts are recommended. No weights may be attached to rear bumper. No lead pellets – no liquid weights.
20. All glass, mirrors, chrome, and flammable material must be removed from all cars.
21. All sheet metal must be securely fastened. Hoods must be kept in place at all times.

Boothill Speedway

General Rules

(All Divisions)

22. All cars must have working brakes.
23. All cars must have a firewall with no holes between the motor, the fuel tank, and the driver's compartment.
24. Rollbar padding is recommended for all classes.
25. Window nets are recommended for all classes.
26. Safety regulations will be enforced at all times.
27. All drivers must have name, address, and social security number on file prior to be paid.
28. Driver may change cars at any time between qualifying/heats/B Main and the start of the Main Event. However, any change will result in the driver starting on the rear of his heat/B Main or Main Event. It is the driver's responsibility to notify the track officials of any desired change before the race. Car will be disqualified if track officials are not notified.
29. With the purchase of a pit pass, each competitor or spectator agrees to all the terms and conditions set forth in this rulebook.
30. Anything determined to be detrimental to the sport will be grounds for immediate removal, suspension, or being banned from the track.
31. Tires may not be wrapped in any way once they are bolted on the car upon entrance to the racetrack property.
32. **NO SPEEDING IN THE PITS – SPEED LIMIT IS 5 MPH.** This includes 4-wheelers and all types of pit vehicles. If you are found to be speeding through the pits with your race car or any other type of vehicle you will be asked to leave immediately and are subject to suspension from Boothill Speedway. There will be no justification for speeding through the pits in any situation. There are too many people and the likelihood of a tragedy makes this inexcusable.
33. Competing in multiple classes: If a driver is scheduled to run in back to back races, he or she should notify an official as soon as the line-ups are posted. The car for the next race needs to be staged in the "hot pit" area. This will ensure that the driver is given adequate time to switch cars and join the line-up of the next race minutes after the last race.
34. Boothill Speedway reserves the right to inspect, tech, and disqualify any car during the evening's racing event or while the car is on Boothill Speedway's premises.
35. By entering an event at Boothill Speedway competitors agree to Boothill Speedway testing tires on the car, in their pit area, and their trailer at any time. Refusal to allow for testing will result in the immediate dismissal from the night's activities and the car and driver will be escorted out of the pits. Refusal to submit to tire tests are subject to a long-term suspension from the speedway as well.
